To

K. V. Anantharaman, Esq., B.A.,

Secretary to Government, General Department,

Bangalore.

SIR,

I have the honor to state that the practice that obtained hitherto while ordering Technical Journals and Technical books of reference of moderate price from England and America for use in the Government Press was to order the Journal or book and request the Comptroller to kindly arrange payment through Messrs. Coutts & Co. Ltd., Bankers, London, the cost being met from the contingencies of this Office. This arrangement was working smoothly, the Comptroller complying with the request of this Office without raising any objection. Even so late as December 1922, he intimated Messrs. Coutts & Co., to pay a sum of 5 shillings and 10 pence to H.M.Stationery Office, from whom a small purchase was made.

2 Anticipating therefore no trouble, I ordered the technical journal called the " British Printer " in July 1923 whose subscription is 12 shillings and 6 pence per annum and a very useful book of reference for printers called " The Master Printer's Annual and Typographical Year book for 1923 priced 13 shillings and 6 pence and requested him to kindly give due intimation of payment to Messrs. Coutts & Co. as usual. But he refuses to follow the usual procedure on the ground

ground that under Article 168 (e) (3) Mysore Account Code, Volume I sanction of Government is necessary in support of this purchase

3) I therefore beg that sanction may be kindly accorded to my subscribing for two technical journals " The British Printer " of England (Subscription £ 0-12-6 per annum) and the " Inland Printer " of America (Subscription £ 1-1-6 per annum) which are being subscribed for by this Office for the past 15 years and also to my ordering technical books of reference at a small cost, and to include My Official Designation may be kindly ordered to be included for purposes of audit in Article 470 of the Mysore Account Code and in Appendix R of the Mysore Service Regulations, without which the Comptroller objects to the passing of the bills.

4) In this connection, I beg also to invite your kind reference to G.O.No.M.127-8/P.& S.37-20-18, dated 7th July 1921, directing that the name of the Superintendent, Government Printing, be included in the list of Heads of Departments whose travelling allowance bills need not be countersigned and to request that as the Superintendent has since been permitted to travel all over the State for inspection of forms and Stationery as per G.O.No.E.1000-50/P.& S.25-22-1, dated 8th August 1922 and as his travelling allowance was not countersigned when he travelled on this duty last year, the exemption given in the above order may be extended to Superintendent's journeys allover the State instead of being restricted to journeys between Bangalore and Mysore. His name may also be kindly caused to be included in Appendix M of the Mysore Service Regulations wherein a list of Officers whose T.A.Bills need not be countersigned is given. A copy of letter from the Comptroller in this connection is enclosed for favour of reference.

I solicit the favour of early orders.

I have the honour to be,

Sir,

Your most obedient servant,

Extracts from the Mysore Service Regulations.

Article 74. In special cases, however, the acting allowance may, with the previous sanction of Govt., be increased to an amount not exceeding the full pay of the appointment.

Exception.- The Heads of Departments specified in Appendix R are empowered to sanction special rates of acting allowance under this Article to Officers whose pay is less than Rs. 100/-

Article 80. A periodical increment should not be granted to an Officer serving on progressive pay, as a matter of course, or unless his conduct has been good. When an increment is withheld, the period for which it is withheld is at the discretion of the authority having power to withhold, who will also decide whether the postponement is or is not to have the effect of similarly postponing future increments. The authority having power to withhold is, in the case of ministerial and menial officers, the head of the office, and, in the case of other officers, the Govt. which may delegate the power to Heads of Departments

Note.1. In the case of Gazetted officers, the audit Department will authorise payment of increments as they fall due, in the absence of an instruction from the Head of the Department concerne or a Govt. Order to the contrary.

Note.2. The Heads of Departments specified in Appendix R are empowered to withhold periodical increments of non-Gazetted officers subordinate to them.

Explanation.- When the authority passing orders to withhol an increment does not specify clearly for what period the Officer is to be deprived of his increments, the deprivation should be he held to cease on the expiry of the period during which the Officer would have drawn the increment withheld. For example, if on the 1st July 1919 an Officer already drawing a pay of Rs. 110/-

in the grade of Rs. 100-10-150 and in ordinary course entitled to an increment of Rs. 10/- on the 1st July each year is punished by refusal of the next increment, to which he would otherwise have been entitled on that date, he will, in the absence of special orders to the contrary, be entitled on the 1st July 1920 to draw Rs. 130/- and not Rs. 120/-.

Article 122 (i) if the Officer is honorably acquitted, an allowance equal to the full salary to which he would have been entitled if he had continued to hold the appointment from which he was dismissed or suspended;

~~acquitted, upon reconsideration or appeal~~, held to have been unjustifiable, or not wholly justifiable, or if an Officer is dismissed from service Office or suspended pending enquiry into his alleged misconduct is, after enquiry, or upon reconsideration or appeal, reinstated, then the revising or appellate authority may grant to the officer, for the period of his absence from duty -

(i) x x x x x x x x x x x x x x

(ii) otherwise, an allowance equal to such proportion of the full salary as aforesaid, as to the revising or appellate authrori-ty may seem expedient.

(c) No extra cost may ordinarily be imposed on the State by ~~th~~ the grant of an allowance under either clause (a) or clause (b) without the permission of Govt. This power may be delegated to ~~H~~ Heads of Departments in cases where it does not exceed Rs. 200/- and where the period during which the Officer has remained unemplyed through suspension or dismissal does not exceed six months.

x x x x x x x x x x x

Note 2.- Government have delegated the power mentioned in Clause (c) above to the Heads of Departments specified in Appendix R.

Article 457.- (a) Except as provided in Articles 471 to 473 of this Chapter, every application for leave should be submitted to the authority whose duty it would be to fill up the appointment of the applicant if it were vacant.

(b) But the Heads of Departments may be empowered to deal with privilege leave applications from Officers under their orders even though they are appointed by Govt.

1. A Gazetted Officer applying for leave should quote the Article or Section of these Regulations under which he considers himself entitled to the leave.

2. Applications for leave on behalf of Gazetted Officers should be forwarded by Heads of Departments to the Audit Office which will submit them to Government for orders with the necessary certificate regarding the admissibility of the leave applied for.

(c) Govt. have delegated to the Heads of Departments specified in Appendix R the power of granting privilege leave to Gazetted Officers of their Department up to a period of one month, provided that no substitute is required.

Article 471. (a-)After obtaining a report from the Audit Officer upon the title of the applicant to the leave applied for, Govt. may grant any leave admissible under the Regulations.

(b) In the case of Gazetted Officers, Govt. may, with or without restrictions, delegate its powers of granting leave conferred by clause (a), to any Officer, who, in its opinion, can judge of the expediency of granting the leave and can without reference to higher authority make the necessary arrangements during the leave. See Article 457 - Clause (c)

Govt. may at any time withdraw the powers delegated under this clause.

(c) An Officer acting under clause (b) must first obtain a report from the Audit Officer that the leave is admissible. If he grants the leave, he must communicate ~~the~~ his orders to the Audit Officer by insertion in the Gazette or otherwise. In delegating its powers of granting leave in accordance with clause (b), Govt. will decide whether either the grant or the refusal of the leave should be reported to it.

Note 1. The Heads of Departments are authorised to sanction Examination leave under Article 194 to all Officers including Gazetted Officers subordinate to them, subject to the condition that arrangements can be made within the district for the conduct of work of officers who are granted such leave.

Note. 2. Under clauses (b) and (c) of this Article, the Revenue Commissioner is empowered to grant leave not exceeding four months to Amildars and Deputy Amildars and to notify the same in Part II of the Mysore Gazette.

Article 473(a) In the case of an Officer who is not Gazetted, leave may be granted by the authority whose duty it would be to fill up his appointment, if vacant.

Govt. have delegated to the Heads of Departments specified in Appendix R the power of granting leave to non-Gazetted officers of their department.

Article 535(6) ~~(a)~~ x x x x x x x x x x x x x

~~(b)~~ The shortest route is that by which the traveller can most speedily reach his destination by the ordinary modes of travelling. In cases of doubt Govt. will declare which shall be regarded as the shortest of two or more routes between any two stations.

Note.- Heads of Departments specified in Appendix R are authorised to declare the shortest route in respect of journeys within the State performed by their subordinates.

x x x x x x x x x x x

(e) Heads of Departments specified in Appendix R are authorised to permit their subordinates to perform road journeys between places connected by railways, when such journeys are required in the interests of public service.

Article 582.- A daily allowance may not be drawn for more than 10 days of a halt at one place except in special cases in which it is established to the satisfaction of Govt that the prolonged halt was necessary in the interests of the public service and that the Officer was put to extra expense by his halt after the expiration of the first ten days.

Explanation.- An Officer who halts for more than ten days at a place, may, after he ceases to draw the daily allowance, draw travelling allowance under the ordinary rules, applicable to him for any journey made on one day from and to the halting place, if he reaches a point more than five miles distant from it. A halt is not interrupted for the purpose of this Article by an absence on duty from the place

of halting for less than three nights.

Note. 1.- The Officers employed on Railway Survey work may be exmpted from the operation of the rule contained in this Article.

Note. 2.- The Director of Geological Department may pass allowances for halts of more than 10 days at one place.

Article 150 A. In exceptional cases when leave has been defer-red in the public interests, Govt. may in its discretion grant leave extending to not more than six months beyond an Officer's fifty-fifth birthday; or may grant leave for not more than six months in all to an officer who is being retained in service after the age of fifty five years. The leave granted must be of a kind which is due and not in excess of the amount at ---- credit.

Save as above stated, all leave expires on the date of attaining 55 years and no fresh leave can be granted.

Note.- Leave up to two months in the aggregate during extension of service may be sanctioned by the Heads of Departments specified in Appendix R to non-gazetted officers without reference to Government.
